WHY THIS MEETING?

The SOGOCON 2026 Uro-Pathology Consensus Meeting brings together leading Urologists and Uro-Pathologists from across India to establish evidence-based national recommendations for standardized uro-oncological histopathological reporting.

The meeting aims to improve consistency in pathology reporting, facilitate multidisciplinary decision-making, and enhance patient care through nationally accepted reporting standards.

OBJECTIVES

- ✓ Develop nationally accepted recommendations for uro-pathology reporting
- ✓ Standardize histopathological reporting practices across India
- ✓ Encourage multidisciplinary collaboration
- ✓ Improve quality and consistency of pathology reports
- ✓ Support evidence-based clinical decision making

CONSENSUS METHODOLOGY

The recommendations will be developed through:

- Expert Presentations
- Structured Scientific Discussions
- Voting on Predefined Consensus Statements
- Statements receiving **more than 80% agreement** will become official recommendations.

All recommendations will be based on clinical relevance and available scientific evidence.
